Dear Parents and Guardians:

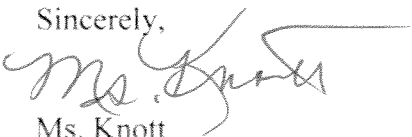

The Federal *No child left Behind Act of 2001* (NCLB) requires all schools to notify parents or guardians after a class has been taught for four consecutive weeks by a teacher who is not "highly qualified" for that specific area. While there are a variety of ways in which a teacher can demonstrate that he or she is "highly qualified" in a given subject, the requirements is considerably more difficult to meet for teacher who is responsible for teaching several core subject area.

The purpose of this letter is to notify you as required that Mr./Ms. \_\_\_\_\_ is not currently considered "highly qualified" under NCLB in one or more subjects being taught to your son or daughter.

Please be assured that this does not mean this teacher is not qualified for this assignment. Mr./Ms. \_\_\_\_\_ does meet state requirements for this position. Given his/her professional experience, we believe that your child is receiving high-quality in his/her class.

If you have any concerns regarding this information, you have a right as a parent to review the qualifications of your child's teacher. Please contact Ms. Knott at 918-434-5558 if you have any questions.

Sincerely,

Ms. Knott  
Superintendent
