To the Parents/Guardians of Wickliffe Students.

Enclosed are copies of the information that the Oklahoma State Department of Education releases to the public about our community and our students' test scores from the 2016-2017 school year.

This is the information that the School Board Members, the Administration, and the Faculty continue to use to identify strengths and weakness of our school system. In addition, the OSDE has released information about our "District Profile". This information allows us to view our community in relation to other communities and the state.

Our community is responsible for providing our children the opportunities to be successful and we must continue to work together to provide our students the best possible environment to learn. Therefore, it is important that you are given the opportunity to see the data that is utilized to make curriculum and staffing decisions.

If you have questions, concerns or ideas, please feel free to call (918-434-5558).

Sincerely,

Ms. Knott
Superintendent/Principal
